

J DETAIL

3'-1-0"

- CONSIDER:
1. How is the radius trim attached to the wall?
 2. How and when is the plastic laminate applied to the wood radius trim?
 3. Can you identify and note the use of the items not described in this detail?
 4. What alternative(s) can you offer for this detail to clarify these issues and to make a more workable detail?
 5. Do you understand the notes, etc. on this detail?
