### 08-6200 - Unit Skylights

[Wasco Products](#) [Contact Us](#) [Specs](#) [CAD](#) [BIM](#)

Wasco Commercial Unit Skylights offer you a variety of affordable choices. Our standard and Thermalized® solar Skydomes® come in both deck-mount and curb-mount configurations, for both flat and pitched roofs, in Circular, Pyramid and Dome models, with several different glazing options. We also offer OSHA-compliant Fall Protection skylights and screens.

### 08-6300 - Metal Framed Skylights

[Wasco Products](#) [Contact Us](#) [Specs](#) [CAD](#) [BIM](#)

Wasco's metal framed skylight structures are available with a broad range of glass and polycarbonate glazing options and versatile designs for customized configuration. Choose from our Pinnacle or Classic structural systems for both pitched and flat roof applications, or our non-structural Low Profile system for pitched roofs where structural support is present below the skylight rafters.
